Core Skills

- Product Research
- Data Entry
- Virtual Assistance
- Video Editing
- Image Altering
- Amazon Arbitrage

Soft Skills

- Time Management
- Multi-Task
- Adaptable
- Persistence

Hi! I'm Franco, an experienced and dedicated freelancer available for hire. I'm passionate about my work and take pride in helping clients uncover valuable insights and profitable opportunities whether hidden in their videos, images, data, or nearly any form of digital content.

My Top 3 Competitive Edges are:

Research Skill: I have different techniques in product research. like manual, reverse and storefront stalking. This will help me and client find profitable items.

Time Management: I'm highly organized and committed to delivering quality work on time every time by managing my schedule efficiently and prioritizing what matters most to each project or task.

Adaptable: Being timely & quick to adjust to changing project needs, client feedback, or new tools ensuring smooth collaboration and consistently strong results.

Experiences

- **The Chosen Shopper**

Conducting a product research for FBA and FBM, analyzing market trends, pricing, and competition. Use tools like SellerAmp, Keepa, and discount analysis to identify profitable, in-demand products. Evaluate sales potential, sourcing options, and pricing strategies to maximize profitability.

- **Lingerie Reviews - Channel**

Tasked to do a upscale on video that focuses on lingerie reviews, 720p to a 1080p with liminal caption cuts, edits and a custom thumbnail for the client's convenience.
