PROFESSIONAL SUMMARY

I am a **PRC licensed Physical Therapist** with a year of experience in the Rehabilitation Department working with patients who have diverse physical conditions, including musculoskeletal, neurological, and orthopedic conditions.

SKILLS

Treatment: Manual therapy techniques, Exercise therapy, and Rehabilitation Modalities

Medical Record: Utilizing Subject-Objective-Assessment-Plan (**SOAP**) format, Initial Evaluation, PT Notes, Discharge Notes

Intrapersonal: Patient rapport, teamwork, and Communication

WORK HIGHLIGHTS

- Develop and implement individualized treatment plans utilizing various techniques, such as **manual therapy, exercise therapy, and modalities**.
 - Educated patients on proper techniques for home exercise programs and injury prevention.
 - **Conducted patient assessments and evaluations** supervised by Clinical Instructors.
 - **Treated 4-8 patients** with exercises and stretches daily.
 - **Exposed to interdisciplinary care and treatment programs** through collaboration with other healthcare professionals.
-
