Summary

I'm a hardworking and reliable professional with a strong desire to secure success and make a positive impact in the world. With experience as a sales agent or property consultant for Century Properties and Megaworld Properties Corporation Inc., I have honed my communication skills, allowing me to effectively promote products and services.

My exposure to the professional world has taught me valuable lessons in adaptability, willingness to learn, and effective time management, making me an agile and efficient team member. I take great pride in my excellent communication skills, which enable me to connect with others and collaborate effectively.

As a sales agent, I was committed to building and maintaining strong customer relationships, ensuring their satisfaction by addressing concerns and issues promptly and professionally. My interactions have always been driven by professionalism, maintaining a positive attitude, a strong work ethic, and a strong commitment to delivering exceptional service.

I believe in continuous learning, and I actively seek opportunities to expand my knowledge, enhance my skills, and contribute to both personal and professional growth.

My recitation of the Surah As-Saffat is on Spotify, Apple Music, Amazon Music, Tidal, Facebook and Instagram, and 200+ other stores worldwide.

I'm interested in real estate, technology, finance, computer science, and entrepreneurship. I'm interested in REITs, bonds, foreign exchange, and precious commodities such as gold, silver, and oil.

Interactions with individuals from over 60 nationalities have broadened my global perspective, enriching my research capabilities and allowing me to offer a truly international outlook.

Having published two books, I have effectively honed the art of communicating complex ideas.

My work as a real estate agent for a brokerage company has cultivated a deep understanding of market dynamics, consumer behavior, and industry trends.

Networking is a crucial component of my approach, as it allows me to stay attuned to emerging opportunities, challenges, and the evolving needs of my clients. By actively investing in building relationships within various industries, I cultivate a vast network of professionals and subject matter experts, serving as a valuable resource that enables me to tap into diverse perspectives and specialized knowledge when necessary.

I also responsibly develop and deploy AI technologies, like turning selfies into professional headshots for LinkedIn and other social media profiles.

My first SEO and Copywriting client was a Canadian small business owner. Furthermore, I ranked for keywords like "construction materials Philippines" and "construction materials manila" for my local small business owner clients. My first WordPress web development client was an American small business owner. I turned an ordinary concept into a fully functional and beautiful WordPress theme.

I'm a highly-skilled, highly systematic, detail-oriented, and results-oriented team player willing to ask for and receive help, support, guidance, and feedback from my colleagues. I can also work with minimal supervision and figure out my way around things on time and excellently.
