PROFESSIONAL EXPERIENCE

APRIL 2025 — CURRENT

Intensive Care Unit Nurse

Mandaue City

- Provide critical and high-level care to patients with life-threatening conditions.
- Monitor and assess patient vitals and medical conditions using advanced technology and equipment such as ventilators and ECG monitors.
- Manage and implement complex treatment plans in coordination with physicians, respiratory therapists, and other healthcare professionals.
- Respond rapidly to emergencies and provide resuscitation or other life-saving interventions as required.

JANUARY 2024 — APRIL 2025

Medical-Surgical Ward Nurse

Mandaue City

- Provide direct patient care for individuals recovering from surgery or managing medical conditions like heart disease, diabetes, and respiratory issues.
- Monitor and assess patient vitals, including blood pressure, heart rate, oxygen levels, and lab values.
- Administer prescribed medications (oral, IV, injections), ensure timely doses, and track patient reactions.
- Educate patients and families on post-operative care, lifestyle changes, and disease management.
- Collaborate with physicians, and other healthcare team members to establish patient care plans.
- Assist in wound care, IV insertion, catheterization, and other essential nursing procedures.
- Manage patient discharges, ensuring proper documentation and patient education on follow-up care.

CORE AND SKILLS

- Good communication skills
- Critical Thinking
- Passionate and motivated
- Flexible and adaptable to changing healthcare environments.
- Well-organized with excellent time management skills.
