

TRICIA ANNE REOMA LUDIA

IT Graduate | AI Workflow Automation & Python
Moonwalk, Parañaque City, Philippines • triciaanne.ludia2@gmail.com • 0921-361-5210
Portfolio: trcnld-portfolio.vercel.app • GitHub: github.com/trcnld

PROFESSIONAL SUMMARY

Information Technology graduate with hands-on experience in Python, REST API integration, and full-stack development. Self-studying AI-powered workflow automation using Make.com, n8n, OpenAI GPT, and Claude AI — including prompt engineering and connecting APIs to streamline processes. Detail-oriented and a fast, self-directed learner with a strong interest in building scalable automations and improving process reliability.

TECHNICAL SKILLS

Automation & AI: AI Workflow Automation (Make.com, n8n), OpenAI GPT, Claude AI, Prompt Engineering, AI-Assisted Process Automation.

APIs & Integration: REST API Integration, API Authentication (Basic), JSON, Webhooks (Basic), Prisma ORM, Cloudinary

Programming Languages: Java, JavaScript, TypeScript, PHP, Python.

Web Development: HTML5, CSS3, React.js, Next.js, Bootstrap, Tailwind CSS, Node.js.

Databases: MySQL, SQL Server, SQLite, Firebase (NoSQL), Prisma ORM.

Tools & Version Control: Git, GitHub, VS Code, AWS.

Testing & QA: Manual Testing, Test Scenario Validation, Functional Testing, Bug Identification & Debugging, Requirement Verification.

Professional Skills: Problem Solving, Analytical Thinking, Communication, Documentation, Attention to Detail, Adaptability, Time Management.

Networking & IT Support: TCP/IP, LAN/WAN, IP Addressing, Cisco Packet Tracer, Routing & Switching, Network Troubleshooting, Hardware & Software Troubleshooting, Windows, Microsoft Office.

WORK EXPERIENCE

General Accounting Intern (OJT, 300 hrs.)

January 2026 – March 2026

Manila Memorial Park Inc.

- Assisted in maintaining financial records and accounting documentation.
- Organized invoices, reports, and supporting documents for accurate record keeping.
- Performed data entry with high accuracy using Microsoft Excel and internal systems.

Payroll Assistant Intern (OJT, 300 hrs.)

August 2025 – December 2025

Manila Memorial Park Inc.

- Maintained employee payroll records with accuracy and confidentiality.
- Assisted in payroll computation and attendance verification.
- Prepared payroll reports using Microsoft Excel.

TECHNICAL PROJECTS

Job Application Tracker: Full-stack job application tracker using Next.js, Prisma ORM, MySQL, and Tailwind CSS, with relational data models and CRUD API routes.

Personal Portfolio Website: Built and deployed a personal portfolio using Next.js and Tailwind CSS.

Voting System: Developed a web-based voting system using PHP and MySQL with database-driven logic for candidate and vote records.

Weather Application: Built a weather app using React and Tailwind CSS with third-party API integration.

Task Management System: Developed a task management application using Python, Flet, and SQLite.

EDUCATION

Bachelor of Science in Information Technology

Graduated May 2026

Olivarez College – Parañaque, San Dionisio, Parañaque City, Philippines

CERTIFICATIONS

Dean's Lister	3rd Year (1st & 2nd Semester), 4th Year (1st Semester)
Phishing Awareness and Cybersecurity Defense	January 2026
Computer Literacy and Technology Awareness	March 2024
Microsoft Word Document Automation	February 2023
Mobile Development for Android and iOS	April 2022
