

RAY VINCENT H. DEFANTE

REGISTERED NURSE

VIRTUAL ASSISTANT

ABOUT ME:

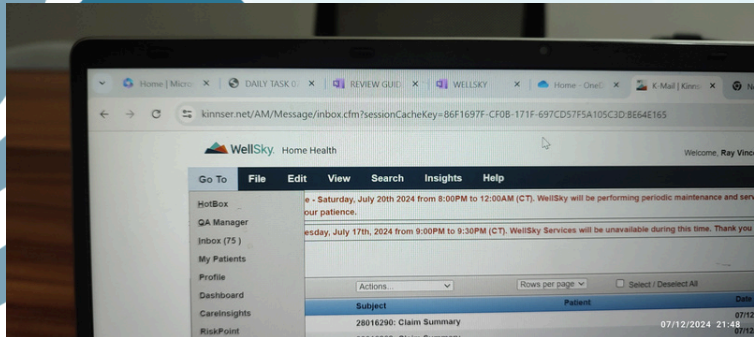

With over a decade of professional experience, I bring a unique blend of healthcare and emergency response expertise to my role as a Clinical QA Specialist. My mission is to ensure the highest standards of patient care by leveraging my background in nursing and my commitment to meticulous auditing and chart review. Motivated by a passion for quality and precision, I work collaboratively to empower skilled nurses and therapists in delivering exceptional care, aligning with the organization's patient-focused mission.

I can contribute to auditing patient charts, coordinating intake for start-of-care patients, and managing pre-claim reviews with a focus on accuracy and compliance. My proficiency in medical records and electronic medical record systems enables me to streamline processes and support the team effectively. These efforts, paired with strong interpersonal communication skills, help ensure seamless operations and superior patient outcomes.
